### Keynote Speaker: Dr. James Nichols with NHTSA

Dr. James Nichols is the former Director of the Office of Research and Traffic Records, Traffic Safety Programs, at the National Highway Traffic Safety Administration (NHTSA). He was responsible for developing programs that address alcohol-impaired driving, occupant protection, pedestrian and bicyclists, motorcyclists, fatigue, elderly driving, driver records, and driver licensing. Dr. Nichols has authored numerous publications regarding alcohol-impaired driving, occupant protection, driver education and other areas of traffic safety research. He is frequently called upon to provide expert testimony in each of these areas of traffic safety.
